Dear Exhibitor:

I would like to take this opportunity to thank you for taking part in the upcoming National Softball Coaches Clinic. This information is important for your representatives who will be attending the clinic — please look it over carefully.

All exhibitors will be assigned their booth space by the Clinic Director and tables will be identified for your representatives on Friday morning. We have made arrangements for exhibitors to begin setting up at 9 a.m. Friday.

If you have any special needs, such as electricity, etc., you need to make arrangements with the hotel staff. We recommend that you plan on hanging any banners, photos, etc. on the front of your table unless you have a display. There is a limit of one company per booth.

We will provide dinner for a maximum of 2 of your representatives Friday evening. The exhibit area will be secured *only* during the dinner break Friday so that your representatives may leave for dinner. Overnight storage of your merchandise for Friday night will be in the room designated for exhibits, or when the exhibit area is in the foyer, your booth items will need to be moved into the ballroom to be locked up overnight.

The Social Hour will be held in the exhibitor area Friday night and is an excellent opportunity for you to meet with the coaches. On Saturday, the exhibitor area will open 30 minutes before the clinic sessions begin and remain open through the lunch break.

Many of you know our policy regarding product endorsements by our speakers. For those of you who are new to our clinics or who aren't aware of our policy, please note that *our speakers will NOT be endorsing any product(s) during their presentations. Please do not ask them to do so during the clinics.*

Also, please note that NSC is the official supplier of all JUGS equipment at all National Softball Coaches Clinics.

Thank you again for being a part of the National Softball Coaches Clinic and I want to wish you much success for the coming year. If you have any questions, please contact me.

Sincerely,

Mary Nutter
